Partaking in an adventure tour in Africa involves covering hundreds if not thousands of kilometres and our tours are as much about this journey as they are about the destinations we visit. Use your time during these drives to talk to your fellow travellers, have a drink and take note of the world passing by your window. Some roads you travel on will be smooth and easy while others could take up to an hour to cover 1 kilometre. There is just no telling what could happen with road, weather, traffic and other conditions that may exist that will either increase or decrease the amount of time you spend on the road so take your watch off, put your iPad away, turn off your phone and just relax. An average day could take anything from 5 to 14 hours, it all depends on the day... and that's only an "average"!

Please ensure that you have downloaded and read a copy of the [PRE DEPARTURE INFORMATION](#) booklet as this document contains important information (e.g travel insurance, visas, your money, health etc) you need to know before you depart on tour

Pre-Tour Meet Up

Join us for an optional pre-tour meet up from 17:00 to 19:00 the evening before departure, in the reception area of PheZulu Guest Lodge (official departure point). Attending will help you feel more prepared and connected before the adventure ahead. If you can't make it due to prior commitments, don't worry—the meeting on departure day will still be available to finalize everything.

Along the way, we glide past lush riverbanks teeming with life: crocodiles sunning themselves, hippos bobbing in the water, and a vibrant array of bird species flitting through the reeds. After returning to our lodge enjoy some time to relax before the afternoon’s adventure begins. In the late afternoon, we set off on a game drive in 4x4 safari vehicles to Mahangu National Park. The drive to Tsodilo takes us through dry bushveld and remote villages, offering glimpses into traditional life in the northwest corner of Botswana.
