Overnight accommodation stops can change without prior notification, depending on road or weather conditions or any unforeseen circumstances. While every effort has been made to ensure the accuracy of the properties listed in this dossier, these are to be used as a guideline only. Partaking in an adventure tour in Africa involves covering hundreds if not thousands of kilometres and our tours are as much about this journey as they are about the destinations we visit. Use your time during these drives to talk to your fellow travellers, have a drink and take note of the world passing by your window. Some roads you travel on will be smooth and easy while others could take up to an hour to cover 1 kilometre. There is just no telling what could happen with road, weather, traffic and other conditions that may exist that will either increase or decrease the amount of time you spend on the road so take your watch off, put your iPad away, turn off your phone and just relax. An average day could take anything from 5 to 14 hours, it all depends on the day... and that's only an "average"!

Please ensure that you have downloaded and read a copy of the PRE DEPARTURE INFORMATION booklet as this document contains important information (e.g travel insurance, visas, your money, health etc) you need to know before you depart on tour

Pre-Tour Meet Up

Join us for an optional pre-tour meet up from 17:00 to 19:00 the evening before departure, in the reception area of PheZulu Guest Lodge (official departure point). Attending will help you feel more prepared and connected before the adventure ahead. If you can't make it due to prior commitments, don't worry—the meeting on departure day will still be available to finalize everything.

Day 1 - Victoria Falls to Hwange National Park

This morning, we depart the thundering majesty of Victoria Falls and head south toward Hwange National Park, Zimbabwe's largest and most iconic wildlife reserve. After settling into our accommodation, we venture into Hwange National Park in the afternoon for our first game drive in open 4x4 safari vehicles. Known for its impressive elephant herds, lion prides, and wide-open landscapes dotted with acacia and teak trees, Hwange offers a spectacular introduction to Zimbabwe's wild side. Keep an eye out for giraffe, buffalo, sable antelope, and, if you're lucky, one of the park's elusive predators.

Rise early with the sounds of the bush and enjoy a warm cup of coffee or tea before heading out on a morning game drive in Hwange National Park. Hwange's diverse landscapes are home to more than 100 mammal species and nearly 400 birds. Keep your eyes peeled for elephants moving silently through the teak forests, kudu standing alert in the thickets, or a pride of lions resting after a night's hunt. We return to our lodge late morning for a bit of relaxation during the heat of the day, before visiting the nearby Painted Dog Conservation Centre in the afternoon, a vital project dedicated to protecting one of Africa's most endangered carnivores — the African wild dog, also known as the painted wolf. Here, you'll learn about the threats facing these remarkable animals and the community-driven efforts to safeguard their future.

Day 3 – Matopos National Park

After breakfast, we depart Hwange and journey toward the mystical realm of Matobo Hills, also known as Matopos National Park — a UNESCO World Heritage Site renowned for its otherworldly rock formations, rich spiritual history, and diverse wildlife. Unlike the open plains of Hwange, Matopos offers a dramatically different environment: massive granite boulders balance precariously on each other, and ancient caves hide millennia-old San rock art. Matopos is one of the best places in Africa to track white and black rhino on foot (if conditions and park regulations allow).

By early afternoon, we arrive at Great Zimbabwe, the ancient capital of the Kingdom of Zimbabwe and once a thriving trading centre between the 11th and 15th centuries. The stone structures — including the Great Enclosure, the Hill Complex, and the iconic conical tower — are marvels of dry stone architecture and steeped in myth and mystery. After exploring the ruins, we head just a few minutes away to our accommodation for the night.

Day 5 - Mapesu Private Game Reserve

This morning, we depart the historical heart of Zimbabwe and set our course southward toward the wild frontier of our overnight lodge, nestled near the Limpopo River in the Greater Mapungubwe Transfrontier Conservation Area. The journey takes us through remote, seldom-visited parts of Zimbabwe — a land of open skies and baobab-dotted hills. As we travel, the landscape shifts from highveld to lowveld, gradually giving way to the semi-arid bush that characterizes Zimbabwe's deep south. By late afternoon, we arrive at our accommodation - surrounded by mopane woodland, ancient sandstone formations, and the calls of wild birds echoing in the distance. Enjoy a relaxed dinner under the stars, with anticipation building for the wildlife encounters that await in this beautifully preserved corner of southern Africa.

Day 6 - Mapungubwe National Park

We set off on a journey that blends ancient human expression with raw African wilderness. Our first stop is the Kaoxa Rock Art Shelter, where San (Bushman) paintings dating back thousands of years adorn the sandstone walls. These vivid images of animals, hunters, and spiritual symbols offer a powerful glimpse into the beliefs and daily life of southern Africa's earliest inhabitants. In the afternoon, we participate in an unforgettable guided tracking experience in Mapesu Private Game Reserve. Walking through the private reserve, your guide and tracker will teach you how to read the bush — from fresh tracks and broken branches to calls in the distance — piecing together the movements of cheetah, rhino, or perhaps the wild dog.

By late afternoon, we arrive at our lodge, located just outside the Phalaborwa Gate. After checking in and freshening up, we head out on an exciting sunset game drive, exploring the nearby private reserve. After the walk and a hearty breakfast, we travel southward toward the Timbavati region, a renowned conservation area that shares unfenced borders with Kruger, allowing wildlife to move freely. By mid-afternoon, we arrive at our overnight lodge, and shortly after check-in, we head out on a sunset game drive in the greater Timbavati/Greater Kruger area. With luck, this could be the day you spot the Big Five. We return to the lodge, where dinner and storytelling around the campfire complete another unforgettable day in the bush.
